 - PLC-alignment in practices, answer questions what? Why? Who? Etc. small group instruction, student choice assessment options
- Minute meeting data
 - Reviewed data
 - Explanation of Mrs. Marocco and what she does
 - Ben asked if there was anyway that parents could access results of student voice (from Panorama)
 - Jenna may include a little information about Panorama/ERC Role in her Loma Ridge Report
 - Ivy suggested to include this information on teacher communication
- Update on facilities
 - Not sure what enrollment will look like

- We are expanding- 8 classroom villa to our campus (4 classes on each side with common area and restrooms
- Timeline: will find out more info in the morning after meeting (conducted simultaneously as this meeting
- Will look similar to the classrooms in the building- microphone system will be included. Will be equitable experience
- Construction will start as soon as possible but have been told will start after school gets out. Not sure when will be done but we will have to be flexible
- We will use the relocatables next year but unsure beyond that. They could be taken away and returned or left and not used
- Once we get to maximum capacity, IUSD will displace. IUSD uses conservative projections to predict
- Parent asked when LR gets rated. Berumen explained our SBAC scores and where to find CAASP test scores. That info gets transferred. Not sure how long it takes. The district will tell Jenna. Once Jenna knows she will let parents know.
