

SSC Meeting

November 3, 2022

Agenda

1. Welcome
2. Explain Council Business
3. Share site goals and PL plan
4. Present minute meeting data
5. Update on facilities expansion
6. Offer opportunity for Q & A

A person's hands are shown holding a lit sparkler. The sparkler is bright and glowing, with many sparks flying out. The background is dark and has a splattered, ink-like texture. The overall mood is celebratory and energetic.

Student Voice

At School

“School is just okay because I get a bit nervous. I don’t have much friends.”

“School just okay because I’m always first in line so I have to wait a long time for my teacher to come.”

“School is just okay because I went to bed at 11:00.”

“I like to play basketball. School is just okay but if had less worries it would be better. Sometimes I feel nervous when thinking about school.”

Student Voice

At Home

“Going home is “just okay” because I like being at school.”

“Going home is not good. I like school better.”

“Sometimes my parents fight and I tell them to take a deep breathe.”

“Going home is just okay because sometimes I'm really stressed and I have a lot of work to do.”

Student Voice

On the Playground

“Playing on the playground is just okay because it is boring. I would like a sandbox.”

“Playing on the playground is not so good. I just talk to myself.”

“I get frustrated easily especially when I lose a game.”

Positive Outcomes of Minute Meetings

- ★ Building rapport, relationships, and trust
- ★ Gaining insight into student's initial perception of school and school climate
- ★ Receiving feedback to support positive school climate
- ★ Recognizing the value of an informal screening tool

Counselor will follow-up with 33 students

Identified students are experiencing:

Family concerns

Loneliness / A lack of connection / new to LR

Stress- busy schedule (many after school activities)

Late bedtimes

Our students are happy to be here!

Thank You!
